"If we CANA Credit Union Ltd. reject your credit application based on the consultation of a database (i.e. after a search of a database of credit histories) we CANA Credit Union Limited are required by law to inform you immediately and without charge of the result of such consultation and are also required to provide you with particulars of the database consulted."

To put this in context for you, we should explain that it is our usual practice to consult a database on credit histories as part of our process for considering any application for credit. This can only be done with your permission, because credit history databases contain personal data which is protected by privacy rules. The databases we usually consult contain details, supplied by ourselves and other regulated financial/credit entities, of borrowers' recent credit performance in relation to specific debts to participating credit entities. We send an electronic request to the credit bureau for a credit report, and the credit bureau's database produces an automatic electronic response which shows whether the borrower is in arrears in relation to any credit agreement which has been registered with the database. This report is then considered as one of the factors in our decision on the application for credit.

You should note that, as stated above, the database is compiled using details, supplied by ourselves and other regulated financial/credit entities, in respect of borrowers' recent credit performance in relation to specific debts to participating regulated financial / credit entities. Neither Irish Credit Bureau Limited nor CANA Credit Union Ltd. have any control over the information provided by the regulated financial / credit entities which participate in the database and are unable to verify the completeness and accuracy of such information. If you have a concern about the information provided by a regulated financial / credit entity in respect of your past credit performance you can obtain a copy of your own credit report at any time from Irish Credit Bureau Limited by paying a nominal fee.
